

## **Financial Policy**

### **Insurance Patients**

Dental insurance patients are expected to pay the estimated portion of their treatment at the time of service. If the insurance company denies payment of the remainder for any reason the unpaid balance becomes the patient's sole responsibility after 60 days or denial of the claim (whichever comes first).

### **Patients without Dental Insurance**

Payment is required at the time services are rendered unless an alternative arrangement has been made in advance.

### **Payment Options**

Cash, Personal Check, Mastercard/Visa/American Express/Discover Card, Debit Card.

Please note: returned checks are subject to \$25 fee.

### **Financing Options**

For patients paying cash/check for multi-visit treatment plan over \$2,000, who pay in full at first visit will receive a 5% discount.

Payment for treatment may be divided into equal payments based on the estimated number of treatment visits.

For patient payments in excess of \$500, up to 12 months interest-free financial is available.

For payment plans of 24 months to 50 months, low interest financing is available for amounts over \$1,000.

### **Medical Insurance**

We do not file medical insurance claims for any treatments. You must file for medical benefits on your own.
